

Last Litter

Got Puppies?

Had an "oops" litter of puppies? Help end unwanted litters.
Call about our LAST LITTER program!

How Does it Work?

Set up an appointment to bring in your puppies to the SPCA to be evaluated by our intake staff. If requirements are met you will receive a free spay/neuter voucher for your dog(s) and we will keep the puppies to be spayed/neutered and placed for adoption.

Requirements

Puppies must be at least 8 weeks old, but not older than 4 months.
Puppies must have first round of vaccinations in their system for at least two weeks prior to intake, which we can provide.
Puppies must not be showing any signs of illness.
