

Did you know...

Only 2% of found cats who enter shelters are returned to their homes?

Microchipping can help!

The SPCA of Brevard wants to make sure that owned outdoor cats and friendly community cats have a better chance of being returned to where they belong!

We are offering \$10 microchips to owned, friendly outdoor and community cats on the following dates:

March 27th: 10-12 & 1-5

March 28th: 10-2

at 6035 Sisson Road in Titusville

*Limit 2 per household. Cats MUST arrive in a carrier and be friendly enough to be handled.
Offer good at our adoption center location only.*
